OPPORTUNITY

Below are the requirements for UTYESS State Team

Be a registered member of USAYESS.

Take the scores from all events of the statewide attended shoots, USAYESS Western Regionals, and the North/South Region 100 Skeet. If you attend both the Season Opener, and Spring Fling, you can drop your lowest Trap and Sporting Clays score - **NEW THIS SEASON** - if you attend both the region 100 skeet and USAYESS Quad State, you can drop your lowest skeet score from those 2 events as well. Then we will take the scores from all those events and average the combined scores to come up the the composite average (total targets hit / 900). The top 5 averages in each category will be the state team members.
